

December 1, 2009

Dear Pearland 100 Club Supporter,

Thank you for your 100 Club membership and financial support in 2009. The 100 Club of Pearland needs your continued support now more than ever. With the rapid expansion and growth of our city, the Police Department is constantly recruiting new officers. Our Police Department is currently at 138 officers with openings for 12 more. In order to attract the best and most qualified people, we as concerned citizens, must continue our support whenever we can.

Through your generous contributions in the past, the 100 Club of Pearland has been able to provide an excellent life insurance package for our officers. In order to maintain this coverage we are again asking for your continued financial support for 2008. Your minimum annual membership donation of \$100.00 works out to just over 27 cents per day. This is a very small amount, but when combined together with all the membership, we are able to continue our support for our Police Officers.

Enclosed is a renewal application. Please return it along with your IRS Tax Deductible Donation at your earliest convenience. Remember, all funds raised by the 100 Club of Pearland stay in Pearland.

Thank you for your continued support.

Christian C. Corl, President
